Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

On July 21, 2000, Applicants filed a Verified Statement Claiming Small Entity Status. That status was established in good faith, and fees paid in connection with the prosecution of this application were paid in good faith.

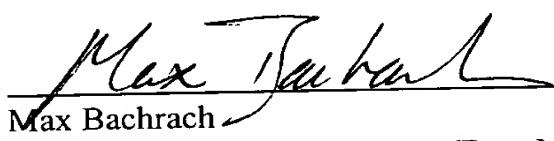

Since that time, the assignee of this application has become a large entity. This application is therefore no longer entitled to small entity status, and Applicants request that the status of this application be changed to large entity.

No deficiencies or fees are believed due for this change of status. If any deficiencies or fees are due, please charge them to Pennie & Edmonds LLP Deposit Account No. 16-1150. A copy of this sheet is attached.

Respectfully submitted,
